

TITLE AD VALOREM TAX

March 1, 2013, House Bill 386 removed the sales tax and the annual ad valorem tax, known as “the birthday tax”, on newly-purchased vehicles. Motor vehicles purchased on or after March 1, 2013 and titled in Georgia are exempt from Georgia sales/use tax and annual ad valorem tax. It replaces these taxes with a one-time Title Ad Valorem Tax (TAVT) fee of 7% of fair market value (FMV)*

Here's what you need to know:

- ✓ New or Used car purchase: TAVT is 7% of the FMV which is determined by the GA Department of Motor Vehicle Assessment Manual and be applied to all vehicle purchases
- ✓ TAVT is due each time the vehicle changes ownership and titled. TAVT applies to both dealer sales and private sales. Annual registration (decal) fee still applies

ANNUAL AD VALOREM TAX

- ✓ For most vehicles purchased prior to March 1, 2013, the annual ad valorem birthday tax and registration renewal continues to apply
- ✓ Trailers and recreational vehicles – certified for highway use - whether titled or not, remain under the annual ad valorem tax and registration renewal still applies. Titled trailers, purchased from out of state dealers are subject to sales tax

MOTOR VEHICLE INFORMATION

From my first term as your Tax Commissioner, I learned that you value "Service that Counts by People Who Care." You know that I strive to ensure you the three keywords in our tag line: Service | Efficiency | Accountability and implementing many changes in the tax office to better serve you.

Georgia Department of Revenue on May 27 ushered in a new system conversion called DRIVES - (Georgia Driver Record and Integrated Enterprise Service). The new system provides more interface options for citizens to complete routine motor vehicle transactions from the convenience of their home computer. The Hall County tag office will still serve as the point of contact for birthday tax renewals and complex title transactions. The staff at the tax office are eager and dedicated to serve you in a professional and friendly environment. We welcome your comments and suggestions regarding ways that we may serve you even better. Thank you for electing me as your Tax Commissioner.
